Builders' Cum

I've been happily married to Ian for eight years. I've got three kids but have still got a good figure with big tits. I've always been faithful which is why what I'm about to tell you is so out of character.

Ian likes to take dirty pictures like these of me, and last week he left them out on the kitchen sideboard, just as a team of builders were about to come in to improve our council house.

When I came back from taking the kids to school, I heard the builders, five lads aged from 18 to 40, talking about the pictures. I was so embarrassed I went and hid in the bedroom till they had

"accidentally" bumped into him and dropped my towel. Then I squeezed his cock which was rock hard.

He squeezed my tits and put two fingers up my sopping cunt. "Later big boy," I whispered, playing hard-to-get.

Feeling this slutty, I played up with the lads all afternoon, only stopping to frig myself off in the bedroom. John kept touching me up and Lenny kept saying that I had great tits and commenting on my cunt that was so wet it was staining my dress.

The lads decided to take me out for a lunchtime drink so I got in the front of their Transit between Lenny and John, the other three in the back.

We drove out to a village pub where no-one knew me and had a glass of wine. We started playing pool, and I was bending

over, my sopping cunt stuck right up in the air. All the locals were loving it as well as my lads.

Then, while a couple of chaps kept the landlord out of the way, Lenny and John got me down on the pool table.

Before I knew it, there were hands all over me, and I had a cock in each hand, wanking them off.

Soon I was on all fours,

being fucked rigid by cocks. No sooner had one finished up me than another took its place. At one time I had one cock in my cunt, one in my arse and one in my mouth. In 45 minutes I must have been fucked by a dozen blokes.

On the way home I sat in the back of the van, my clothes totally shredded, getting fucked again by the builders.

They were taking pictures of me in every conceivable filthy position, cocks in my arse, spunk all over my face and tits, my cunt lips pulled apart.

I never thought it was possible to be so shameless and so turned-on.

The building work finished two weeks late but I've not had any comeback about my unfaithfulness.

I've sent you some rude pics taken by the builders. I look forward to seeing them in Escort!

Lucy, Wiltshire.

left for the day.

When I told Ian about it he was angry at first but he was so hard and horny when he was fucking me that night I could tell he was turned on. So he told me the next day to play up to them a bit more.

So the next day, I let them in and then went up to have a shower. When one of the lads, Lenny, asked if he could use the toilet, I told him to wait, then walked out of the bathroom and

Yes, it's that time of the year again when we get to roll out all the Halloween paraphernalia and remind everyone that yes, it's pretty well November. It might be a rather upsetting thought, but to make you all feel better about the onset of winter, what better sight than Zara DuRose in, and then out of, a skimpy seasonal outfit?

"I really love Halloween!" she gushes. "I've always been interested in the creepier side of things, and getting dressed up is one of my all time favourite things!"

We're glad to hear it – although we prefer you getting undressed!

who want to firms. Yes, quite! To celebrate hiring some office space, Anny Aurora and Julia de Lucia get into a lesbo clinch, before some stud rocks up and jams his prong up Julia's jacksie. There's more anal to follow from curvy July Johnson, and a bit more from Julia in the final scene. You can always fast forward through the start-up bits and cut to the chase - I know that's what I did!

Available from you local sex shop.

THREE & EASY!

One girl, two cocks - it's a classic combination that's featured in thousands of scruff

flicks over the years, and this offering from Score's got four of them, plus one two girl/one cock combo, just to keep you on your toes. And guess what - one of those two girls is our very own Harmony Reigns, who's dolled up as Cleopatra and whose servant girl Alex Black services her and then lets a stud service her arse. All very classical, but it's the second scene with coverbabe Bridgette that's the real highlight. She's stunning, and her two studs really make the most of having her tremendous body to play with. And there are plenty more massive tits in the line-up as well. Available from your local sex shop.

I have to agree with your Star Wife Jess in volume 38 issue 10 about the bathroom being the best place to shag! I first discovered how great it was on a holiday about 20 years ago when me and my then girlfriend stayed in a hotel with a tremendous en suite. For the first couple of times we just fucked in the shower, and that was good enough, but when we started to make the most of the massive bath with its massaging jets of water then we really got into our stride. When I suggested we try some watersports she was a bit shocked at first, but in the end she gave it a go and clearly loved it – as did I! Luckily for me my wife now is, if possible, even more of a fan of filthy bathroom fun than me, and while out bathroom at home's alright, whenever we go away we make sure it's to somewhere that'll really allow us to let our hair down in the bath. Mind you, it'd be even better if we could find someone like Jess to come along and share the watery fun.

Gavin, Cornwall.

Julia says: Yes, you're not wrong – the bathroom definitely the place for trying out some kinkier things. I used to have a dildo that attached to a shower hose, which was fantastic until I wore it out!

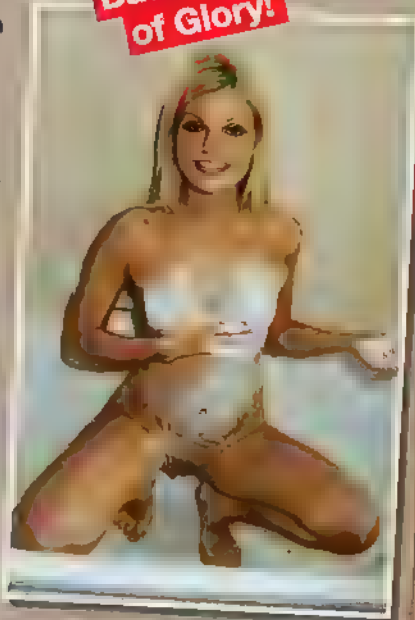

DEAR JULIA

I had to write in in praise of your photoset of Sophia Delane and Tasha Holz – to see four of my favourite boobs together on one page was almost more than flesh and blood could stand! No wonder Sophia looked so pleased with herself as she sucked on Tasha's magnificent plump knockers! All that was missing from those photos was a randy reader with a stiff 7-incher (i.e. me!) to give them both a titwank and a good shagging!

Roy, Oldham.

Julia says: Yes, that probably would have made it even better – for you, Roy!

Baths of Glory!

Lacey Starr's continuing to make the most of her later-life flowering into a wanton porno strumpet. Things kick off with her interviewing busty Amyka for a job, but things quickly move on as the pair feast on each other's knockers and cunts. I'd like to think Amyka got the job! Next up Lacey's doling out relationship advice to Lola Marie, and soon cheers her up with some no-nonsense rug-munching. Alessa Savage and Ella Hughes also join the fun. Available from your local sex shop.

Are you such a car enthusiast that the old Castrol GTX advert used to give you a boner? Want to fuck something that looks like it might be found lying around a garage forecourt? Then here you go – a Fleshlight that's designed to look all mechanical and stuff. Personally I

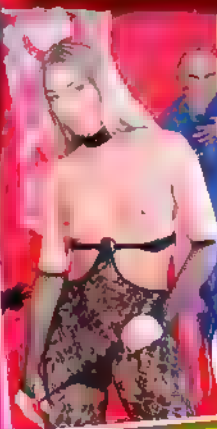

think there's nothing wrong with a stroker that looks like a pussy or an arse, but each to their own – and on the plus side, it does feel like a proper Fleshlight once you're fucking it, rather than some hideous metallic tube!

REAL WIFE SEX

Tania gets more than a helping hand

"I manoeuvred her pretty face between my legs and begged her to suck my pussy."

Myself and my husband are newlyweds, and enjoying the freedom of living in our very own home at last. Before that both of us were living with our parents until we saved enough cash for a down-payment on our own place. Once we returned from our honeymoon, Ollie returned to his job while I set about refurbishing our new home.

We had watched the lifestyle programmes about increasing the value of your home and then trading up, and this was to be our first step up the property ladder so we knew to keep costs to a minimum. We hired tradesmen for the tricky jobs like rewiring and plumbing, and my part was to strip away the dated wallpaper and flooring and replace them with a more up-to-date look.

Luckily when I started this project, my neighbours' daughter Kelly was at a loose end. She had finished college and was happy to earn a few extra quid for her back pocket. Kelly and I were already friends, as she had been one of the first people we had met when we had moved in. I am secretly bisexual (even Ollie doesn't know) and Kelly is incredibly cute, so I was doubly chuffed to have some eye-candy around while my hubby was at work.

We enjoyed working together on the house and as the weeks went by Kelly and I became a lot closer than just workmates and friends. It was as much a surprise to me as to her that we were both into women and at last, as I'd hoped, things became sexually heated between us. We made love fairly regularly.

One day while we were stripping the wallpaper from the spare bedroom, Kelly suggested we work naked. It was warm and the bedroom was at the back of the house and not overlooked so I agreed.

It was a lot of fun, especially when I saw that she was cheating on the "naked" by

wearing a pair of hold-up black stockings and I began to feel more than usually horny. Kelly is extremely pretty, petite with long red hair and pale skin, and that afternoon her perky little "A cup" tits were crowned with erect little rose pink nipples.

I pulled her gently towards me, and ran my fingertips through her wavy hair, over her face, soft, gentle and caressing. I moved my fingers down her neck, along her collarbones, over the soft swell of her breasts and on to her erect little teats, making her bite her bottom lip as her eyes widened with pleasure. I caressed her satin smooth skin nice and slowly, delicately fingering the small mounds, moving in little circles until I reached the pale pinkness of her hard nipples.

Looking up into my eyes, she put her hands on my tits, imitating the movements I had used on hers and creating the same sparks of pleasure as our fingers hovered over one another's nipples before grazing at the aureoles and nipping and tweaking the other's sensitive buds. "Keep doing that, please," Kelly moaned, as she moved her lips to my nipples, sucking on my throbbing teats and I continued to play with and tease hers.

My pussy juice trickled between my labia and my clit had begun to throb urgently. I'd had enough foreplay now and was ready for real action. Lightly stroking Kelly's hair, I wrapped it around my hand and pulled

her with me to the guest bed. Sitting on the edge of the bed I manoeuvred her pretty face between my legs and begged her to suck my pussy. She was even more eager than usual to show off her skills and I lay back on the bed as her tongue delved deeper and deeper into my hot cunt. She was using her tongue, her lips, her teeth, and even her chin, attempting to give me as much satisfaction as she could. My head spun as pleasure pulsed through me. My body arched and I raised my legs and draped them over Kelly's shoulders as she made me come again and again. I have never been with a more insatiable lover before and I was squealing inside from excitement for every single second of it.

Then it was Kelly's turn for release and

orgasm. I was leaning over her and Kelly managed to push one of my nipples into her mouth, sucking hard on the dark erect bud, which had me wailing in delight, and as my finger located her g-spot, we

I rolled onto the bed and patted the spot beside me invitingly. With a naughty little grin Kelly lay beside me and I put one arm around her shoulders and pulled her hard against me so our breasts were squashed together. My larger and darker nipples were in stark contrast to the pink smallness of the younger woman's, and feeling incredibly tender toward her I kissed Kelly full on her lips, which dutifully opened. The kiss was energetic to start with, but as our bodies writhed together I slid my hand down her luscious young body. It was so firm and smooth and her belly was flat and my fingers toyed with the wisp of hair on her small pubic mound.

I wiggled my fingers enquiringly at the base of Kelly's delicate pussy, searching

in the folds of flesh for her clit, and when I found it I gently teased it until it was as hard

"I wiggled my fingers enquiringly at the base of Kelly's pussy."

and erect as her nipples had been. With a loud moan her entire body convulsed, and her legs spread wide apart as I began sliding two fingers in and out of her well-lubricated love hole.

Her body jerked in rhythm as I diddled her as best I could, my fingers working like pistons as I frigged her right to the edge of

climaxed together, spattering one another with our girl honey and enjoying the clean-up afterward almost as much as the main event.

London Balling

A lot has happened to me since I appeared in *Escort*. I have been fucking non-stop for starters!

We met up with a couple, Kate and Paul, who contacted us through your magazine.

They did this by sending me a horny taster of what was to come – a picture of themselves in bed! As soon as I saw Paul's body I knew I would have to have his big cock deep inside me.

We decided to meet up in a bar in London. We drank plenty and soon got talking about sex.

I confessed to Kate that I would love to fuck Paul while she licked my wet hole

When she heard this, Kate insisted on booking a hotel room and as soon as the door thudded shut behind us, we were all over each other.

I got Paul's huge cock out and sucked madly on it. I could see Kate doing the same thing to Rob.

Then I started to ride Paul, fucking him hard, his huge cock thrusting powerfully into my wet pussy.

Kate was doing the same to Rob and by the sweat on his forehead and the grin on his face I could tell he was having a good time.

I leaned over and kissed Kate, pushing my tongue down her throat as I rubbed her tits.

I was still riding that monster cock and in minutes an orgasm shot through my body.

I finished fucking Paul until he pulled out and came all over my face and tits with lovely gooev ropes of spunk.

The rest of the night I spent concentrating on Kate's pussy with my tongue while the boys watched and wanked.

I love the feel of wet pussy on my tongue. Needless to say she came all over my face!

Louise, London.

Katie & Frankie

When we were shooting this set we couldn't help noticing that the girls, when we could get them to say anything in between mouthfuls of muff, both had a very similar accent, and it turns out there's a good reason for that...

"Yes, there is!" grins Frankie, "We're both from the same town!"

So what are the chances of that – two sex-mad babes get to feast on each other's fannies thanks to Escort!

"Ha, this isn't the first time we've got together!" laughs Katie. "It's just that normally we don't have anyone about to take pictures!"

Fancy a roll in the hay with Stella Cox? Given how fond of a cock or three to plunder her holes she is, of course you do!

"It's funny you should say 'or three', because that's actually my preferred number of cocks!" confesses the big-boobed beauty. "I mean yes, one is fine if you're having a shag after a romantic evening or something, and of course two's fantastic because that way I can get my cunt and arse taken care of at the same time, but with three – well then I've got something to do with my hands and mouth as well!"

Midlands babe Zoe seems to love playing with her cunny almost as much as we enjoyed watching her do it!

"Too right I do. I can't remember the last time I went a whole day without giving it some attention – whether it's just a quick fiddle in the bogs at work, or a more leisurely session on a weekend morning, just to get me in the right mood to get up and face the day!"

But surely a cunny as lovely as that isn't confined to DIY action, is it?

"Oh no – that's on top of all the shagging and licking it gets most days as well!"

We're very glad to hear it.

NATALIA

When Natalia Forrest got in touch the other week and asked us if we fancied taking some piccies of her in her saucy Halloween cossie we couldn't really say no, could we, just because we'd already bagged a Halloween set of Zara. Let's bw honest, the opportunity to watch Natalie Forrest playing with her flawless snizz isn't

something any right-minded pervert's ever ging to pass up, is it? So here we are with a bonus second set of pictures wth a pumkin (admittedly fake) in it! Still, who gives a monkey's about the pumkin when you've got an arse like that to gaze at? Nobody who chooses this mag over 'Greengrocer's Digest', I'll bet!

Now it's getting chillier it's time to get those fireplaces all primed for the winter months, although here at Escort we've got far better things to do with fireplaces than light fires in them – get girls with cracking arses to take their clothes off in front of them instead. And if it's a cracking arse you're after, you can't really do any better than the one attached to the business end of Jess West! It's a hearth-warming sight and no mistake, and anyone with any sense would dearly love to poker!

We're all for a bit of good, honest patriotism here at Escort, and we're delighted to see from her T-shirt that Mia feels the same way!

"Of course I do – there's loads to love about this country, although I suppose I'm biased! Imagine being French and never getting to have Marmite on toast! I mean croissants and jam are all very well, but it's not the same, is it?"

It certainly isn't. Anything else you like particularly about this country?

"Well the jazz mags are pretty good!"

Not half!

Mia

Happy cunny-moon!

I have just got back from my honeymoon in Magaluf and had to write in and tell you guys what a slag my wife was while we were there.

She has always been a bit of a dirty bitch – not that I'm complaining – and before we got married we had enjoyed a healthy swinging lifestyle.

There weren't many weekends when we weren't entertaining couples at our house with cock and cunt.

Anyway, after lunch she had gone back to the hotel moaning that she had a headache. An hour later I went to go and check on her.

As I got to the door I heard

strange moaning coming from the room.

I burst in to find her stark naked being fucked by two of the hotel cleaners!

One had his cock right up her pussy and the other bloke was standing over her as she sucked him off. She looked up at me and said, "Don't just stand there – my arse needs filling."

The two cleaners looked at me waiting to see what I would do. Presumably they thought I was going to go berserk and lay the two of them out.

I smiled inwardly. They couldn't know that there was only one thing I liked

better than watching my newly-wed wife filled with two big cocks, and that was sticking my prick into her hot spunky pussy after they had finished.

"Carry on," I told them and after a nervous look

at each other they soon got back into their rhythm.

One of them spanked her arse while he smashed his hips into her and the other fondled her boobs while she bobbed her head frantically on his cock.

I walked over, my dick stiff

at the sight of my slut wife.

One of the cleaners got on his back so she could sit on his cock and the other bloke eased his cock up her back passage.

Now she could work on my dick. I gasped as her hot little mouth enveloped me. She had to keep spitting it out as the two cocks penetrating her split her open with ecstasy.

It wasn't too long before her pussy was flooded with hot cum.

She nearly screamed the hotel down when those hot jets of spunk filled up her bum.

I flipped her on her back and started to fuck her arse hard, watching her sucking at the cleaner's cock and looking at her pussy filled with cum. I waited for the other Spanish man to cum.

When he had shot his load all over her face I scooped the cum out of her cunt and wiped it on her face.

I then gave her arse a few quick hard thrusts and spurted all over her face, mixing all three sets of cum with my cock.

I wanked my cock until the last drops had oozed out of my bell-end and splattered on her face.

Then I sat back exhausted and looked in pride and pleasure at my dirty, spunk-bedraggled wife as she grinned back at me.

We're planning to go back again next year, but to be honest if she's as dirty as this now she's married, I'll take her anywhere she wants!

Alan, Midlands.
